Hear Ye, Hear Ye! You won't want to miss this year's Summer Enrichment Time (SET) workshop with "Out of the Box" fun in Seattle, WA. PVIs will be available beginning at 11:00 am on Friday, followed by a General Session—with our own judge, Carole Kirkpatrick—held from 2:00 to 4:30 pm, and the evening General Session with our guest faculty starts at 7:30 pm. Classes continue on Saturday, with a fun show Saturday night.

You won't object to the cost savings for this year's SET either! Hotel rooms are approximately \$40 less (each night!), and unlike last year, Saturday lunch is included in the registration price. Talk about a good settlement...it's a \$100 value!
