

Director Search Ad

II. Expanded Form: **E-ECHO; EVERGREEN DIST.; SAI DISTRICTS 12 & 13**

Sea Breeze Harmony Chorus, SAI, is searching for a director. Based in the Coos Bay-North Bend area of Oregon's south coast, we are a small chorus of 15-18 whose goal is to grow in membership to 25-30 women. Because we enjoy singing together and are actively involved in our community through our barbershop a cappella art form, we are committed to developing our vocal and performance abilities. We are looking for someone who loves music, has a positive attitude, and has the skills, ability, and desire to help us grow musically. If you or someone you know has an interest in this position, please contact Virginia MacCallum at 541-888-7284 or by e-mail at directsbh_search@yahoo.com.
